RE: DOCKET # 97-82

Dear SENATOR McCAIN:

SENATOR McCAIN PLEASE PREVENT THIS FROM HAPPENING. MEET WITH THE FCC AND CHAIRMAN HUNT AND LET THEM KNOW OF MINE AND THOUSANDS OF OTHERS CONCERNS IN THIS MATTER.

THANK YOU

RE: Docket No. 97-82

Dear Senator,

I am writing to you regarding **DOCKET NO. 97-82, Restructuring**. The wireless company that I work for is effected by the decision of Chairman Hundt. The final decision Chairman Hundt makes will either give or destroy the chances of a small business like the one I work for. The company I work for wants the chance to be the competition in the wireless business, but if it is not given the chance, my job will be eliminated. Please give us the opportunity to challenge our competitors, and make something of ourselves.

Senator McCain, please think of all the jobs that will be lost if the C Block licenses are not granted. I know I don't want to think about it, since I am a single mother.

Thank you for your time.

Re: **DOCKET No. 97-82**

Dear Senator:

I am greatly concerned to learn that after the FCC awarded licenses to entrepreneurs enabling them to free and fair competition to the wireless business that these licensees are now on the verge of having their businesses eliminated. Chairman Reed Hundt is now deciding to penalize and virtually eliminate C Block entrepreneurs under **DOCKET NO. 97-82**. If this plan is successful, my job and the jobs of many other employees will be at risk.

Senator McCain, I urgently request that you intervene on my company's behalf as well as other Arizona small businesses in communicating to Chairman Hunt our concerns and fears.

Sincerely,

Re: DOCKET No. 97-82

Dear Senator

I am currently employed by a small entrepreneurial wireless reseller that stands to be seriously and adversely affected by the decision that is expected from Chairman Hundt of the FCC regarding DOCKET No. 97-82. Small wireless resellers, up till now, have had little chance of competing in the industry. The C-block auctions have been the first glimmer of hope that we would have a viable shot at this business. If Chairman Hundt continues in the direction he is currently headed, this opportunity for our company and many like it will probably not be available again for possibly years, if at all.

Senator McCain, my request to you is simply that you make every effort to sway the FCC to make a favorable decision that will not jeopardize the return of competition to the wireless telecommunications industry. Thanks.

Sincerely,

RE: Docket No. 97-82

Dear Senator

I have been made aware that the FCC is about to make a decision regarding Docket No. 97-82 Restructuring. As an employee of a wireless reseller I am troubled by the approach the FCC is taking to this situation. I fear that ultimately the FCC will eliminate the opportunity to provide free and fair competition in the wireless communications market. This is not a view that is in the public interest.

Senator McCain, please meet with Chairman Hundt and express our concerns so that he can make a well informed decision that benefits the public interest.

Sincerely,
